Properly-Cased Healthcare Provider Data

Data Included in the ProCase Module

Please note that the ProCase product on its own, as an add-on or standalone purchase, does not include specialty or facility type information. That data is included in the CarePrecise Access Complete, CarePrecise Advanced, CarePrecise Platinum, or CarePrecise Gold databases.

Table/Field in Procase	*Description*	*Table/Field in CPAC*
Table: ProCase_Addresses_Mail	**Mailing Addresses**	**tAddresses**
NPI	National Provider Identifier	NPI
Addr1	Mailing address line 1	Mail1stAddr
